Fiscal Year 2017 Annual Report

Dear Friends-

Habitat for Humanity-MidOhio would like to thank you for your generous support of our mission this year. In an effort to maximize that support and help limit our carbon footprint, we are no longer producing a full-scale, printed, annual report for distribution.

However, we are pleased to offer this “no-frills” electronic report of donors and corporate partner activities for fiscal year 2017

Habitat Housing Initiative (HHI)

In 2016 we launched the Habitat Housing Initiative, which is a five-year, \$5.65 million project that will transform our affiliate and the community by providing the resources to bring the number of families served by Habitat MidOhio from about 30, to more than 140 annually! The increase in families served will be primarily through our owner-occupied home repair program in three target neighborhoods, Linden, South Side and Newark.

We want to thank the following donors who have made pledges to the Habitat Housing Initiative.

RESTORE PROGRAM

Habitat's ReStore is a unique resale outlet that offers donated home goods, building materials and home improvement products to the general public. Income generated from Habitat MidOhio's two ReStores provides an important source of funding for our mission.

The ReStores also allow local residents to recycle and repurpose a large volume of items that would otherwise end up in our landfills, and ReStore goods are priced at a discount that enables community residents to affordably maintain and improve their homes

In addition, the ReStores benefit from volunteer assistance, providing an opportunity for community members and companies to give back.
