WELCOME TO THE FUTURE

A five-year plan to transform lives and communities through Neighborhood Revitalization efforts including homebuilding, rehabs, and repairs, the Habitat Housing Initiative (HHI) was launched in August 2016 with a lofty $4.5 million goal and a vision of serving three-times as many families annually. With a target production start date of July 2018, the HHI exceeded its goal by more than $250,000, providing vital resources to increase Habitat MidOhio’s capacity to create real, sustainable neighborhood transformation throughout our service areas. This increased capacity was to be sustained through the relocation of our affiliate headquarters and the development of additional MidOhio ReStores.

As of this report, the future of your Habitat MidOhio affiliate is bright! With two new ReStores planned before the end of 2020; and an unprecedented increase in families served, Habitat MidOhio invites you to join us as we look to the future of affordable housing in Central Ohio.

Additional initiatives are also underway to help ensure the sustainability of our long-term efforts, including our 24 Hours of Hockey (now in its fourth year) and The Playhouse Project - a new program designed to bring the joy of (playhouse) “ownership” to the children of local families in need.

Habitat for Humanity-MidOhio is pleased to present this snapshot of our accomplishments during fiscal 2019, the period from July 1, 2018 to June 30, 2019.

If you are interested in a more in depth look at our fiscal year, including donor and partner lists, please call (614) 364-7032 or e-mail: info@habitatmidohio.org.
