INSPIRING H O P E
BUILDING HOMES
EMPOWERING FAMILIES
DEVELOPING COMMUNITY
To all our friends . . .

“Mission into action.” That is the mantra we have been operating under since volunteers started swinging hammers on our first Habitat home in the late 1980s.

I am pleased to report that within the following pages, you will see the work we do together – volunteers, donors, partners, and families – is still going strong, as Habitat for Humanity-MidOhio continues to view each interaction, each program, each build, and each family touched, through the lens of our mission.

Together we helped make the dream of home ownership a reality for 14 families this past fiscal year, and “restored” the dream through home repair projects for another six families in Franklin and Licking Counties.

When the dust settled on all our projects, these 20 families—and the 35 children under their collective roofs—started a new life chapter in a decent, affordable, energy-efficient home. We also celebrated as nine partner families paid off their mortgages!

2014 was also a time of new beginnings for all of our volunteers, partners, and friends as we welcomed Madison County to the MidOhio family.

As the following “Highlights” pages will show, we have a lot to be thankful for in 2014. The completion of our second Veterans Build Habitat home, working side by side with Columbus’ major professional sports teams, and going backstage with international recording artists OAR (Of A Revolution) and Phillip Phillips, are just a few of the headlines from the past 12 months.

I continue to be touched by the strong commitment our affiliate receives from our community, our donors, volunteers, and staff. It is this dedication that will result in the completion of a projected 20 new homes in the current fiscal year!

On behalf of those whom we serve and those who help us bring the dream of homeownership to families in need, thank you.

In appreciation and partnership,

E.J. Thomas, CEO
Expanding the reach of our mission services, the affiliate welcomed Madison County to the MidOhio family. Habitat MidOhio serves families and communities in Franklin, Licking and Madison Counties.

Habitat for Humanity-MidOhio was one of only five affiliates nationwide to receive the Grand Prize for Safety as part of the inaugural Habitat for Humanity Lockton Affinity National Safety Award Program.

Habitat MidOhio joined forces with Columbus’ premier professional sports franchises on builds this year, including a Veterans Build in Licking County with the Columbus Blue Jackets and a Spring 2014 build on the city’s South Side with the Columbus Crew.

The affiliate engaged media partner WCOL 92.3 FM and morning DJ Woody Johnson for an insightful ReStore campaign designed to increase donations of goods to the affiliate.

Partnering with Power 107.5 FM, we welcomed more than 150 participants to the first “Build Your Dream Homeowner Orientation Event”. The result? Five new Habitat partner families.

A Habitat family had some face-time with international recording artists O.A.R. (Or A Revolution) and Phillip Phillips during their 2014 Columbus tour stop. Christine Travis and her family received the VIP treatment, going backstage to meet the artists before the concert and complimentary tickets to the show.

MidOhio entered the “smartphone” age with the introduction of a “text to give” campaign, allowing donors to make a gift to the affiliate directly from their smartphone. Text “Habitat” to 50555.

Due to overwhelming community support, the partnership with WBNS-10TV, the City of Columbus, Nationwide Children’s Hospital, and our Day Sponsors – Discover, Safelite AutoGlass, Thirty-One, Dominion Homes and United Way of Central Ohio – from the 2013 Home of Hope Blitz Build resulted in enough resources to build not one, but two additional “Homes of Hope” on Columbus’ South Side.

Affiliate CEO E.J. Thomas was named a 2014 CEO of the Year by Columbus CEO Magazine, sharing the award with Dr. Steve Allen (Nationwide Children’s Hospital) and David Cheesbrough (COSI) among others.

Four AmeriCorps members completed a year of service with Habitat MidOhio, contributing nearly 7000 hours in construction and neighborhood revitalization.
Habitat for Humanity-MidOhio dedicated 14 homes, including 11 new builds and three ReBuilds, and completed repair projects on six additional homes (see next highlight) in the last fiscal year, providing safe, affordable, energy-efficient homes to 20 deserving families (including 35 children) in Franklin and Licking Counties.

Volunteers and donors helped serve six families with Neighborhood Revitalization Home Preservation projects, five in Franklin County and one in Licking County. These efforts included roofing, siding, windows, plumbing, insulation and weatherization. The six projects included two veteran households.

250 volunteers impacted 41 neighbor families through six “Rock the Block” neighborhood revitalization projects in Franklin and Licking counties.

Nine families became true homeowners by paying off their mortgage obligations. To date, 59 Habitat MidOhio partner families have done so.

All of Habitat MidOhio’s fy2014 new builds achieved ENERGY STAR certification and the affiliate was recognized by EfficiencyCrafted for obtaining an average HERS score of 54, which is 46% more efficient than a standard new home.

MidOhio ReStore donors helped parlay more than 1,000 tons of donated goods into gross sales totaling $1.75 million in fy2014 and diverted more than 2,625 tons of reusable materials from area landfills.

Over 4,300 volunteers combined to fill 10,500 volunteer opportunities and provide more than 54,000 hours of service.

Habitat MidOhio’s tithe to Habitat for Humanity International was $47,952 during fy2014, bringing our total to $726,802 since our first contribution in 1988. Together we have funded 291 homes to lift families and children out of poverty housing in areas such as Côte d’Ivoire in Western Africa and Zambia in South Central Africa, our current tithe recipients.

26 families completed Dave Ramsey’s Financial Peace University financial literacy program.

Habitat's ReStore is a unique resale outlet that offers donated home goods, building materials and home improvement products to the general public. Income generated from Habitat MidOhio's two ReStores provides an important source of funding for our mission.

The ReStores also allow local residents to recycle and repurpose a large volume of items that would otherwise end up in our landfills, and ReStore goods are priced at a discount that enables community residents to affordably maintain and improve their homes.

In addition, the ReStores benefit from volunteer assistance, providing an opportunity for community members and companies to give back.

**ReSTORE PARTNERS**

All of the following businesses have made multiple donations of new and reusable materials to our MidOhio ReStores. The sales of these items help defray most of Habitat's administrative expenses and also help divert 2,625 tons from area landfills each year.

- Advanced Construction
- America's Floor Source
- Ashley Furniture
- Behal Sampson Dietz
- Creative Paints
- Dave Fox Remodelers
- DSACC Defense Supply Center

2014 FINANCIALS

Challenging and transitional, this past fiscal year blessed us with the opportunity to serve twenty MidOhio families, providing New and ReBuild homes to fourteen new partner families, and expanding the reach of our Home Repair program to serve an additional six homeowners. As HUD’s Neighborhood Stabilization Program funding came to an end, our individual, faith-based and corporate donors stepped up, increasing their support of the mission. Our ReStores continued to perform well, and their net contribution, along with our current partner families’ mortgage principal payments, provided additional internally-generated funding for operations and overall affiliate administration.

We continue to take seriously our responsibilities as stewards of the funds entrusted to us, and to operate with accountability, transparency and financial integrity. The financial information provided in this report attests to our continued strong support from the MidOhio community.
